(Re: writ of habeas/certificate of  
of trust. case no. S-07-0093  
James Humely  
warden <sup>W</sup>Harrel / Director of corrections

Dear Mr.(s) of The court you sent me back (2) copies of a writ of habeas(s); I sent you, along with a package of papers, (1) declaring that I must seek a notarized request for certified 6 month's Trust. In order to enter the courts, as following I did what was requested at know ends, but my mail was recently lost through Prison channels - you'll notice the people I'm bring the charge's against is ultimately handling the very legal work in try to get notarized. I fear they trash my (2) ~~copies~~ of my writ of habeas corpus and ~~am~~ attempting to make sure blow my due date of March 22nd 2008. You'll notice the Triangle of confession there sending me through. I ask the court for an extension date and possibly call the prison to see why I'm been denied to use my rights to the courts. The problems I'm going through or endless and my pursuit for a certificate of trust seems to be getting shuffled. 44 pages are missing that was going to your court's. I have an original copy of my 602 and writ of habeas in your court under case number S-07-0093. I'd like to get the necessary copies if I could through my Trust given the courts prevail in obtaining the trust of certificate from Pelican Bay. I can only request these things but without the ultimate decision ~~from~~ the courts I will continue to have my legal work thrown in the trash or unconveniently lost.

so I appeal to the courts to intervene in the process of obtaining my certificate of trust, along with an amount of ~~\$1~~ necessary funds needed to have the court's copy the writ of habeas corpus for the following defendants which should be about 60 pages for all 3 capps. Ordering the Prison to do such as take the money I have now off my books which is \$25.00 and a copies the last 6 months and the certificate would ease the burden I'm currently suffering. I thank the courts and ask that this matter be addressed immediately along with another month extension.

I solemnly swear Under the penalty of perjury the  
for going is true and correct,

Re: I/M Humdy's request for a 6 month certified trust statement

I have received a request directly from Inmate Humdy, and have prepared the requested six month certified trust statement today. As of this writing, I am waiting for the required signature from my supervisor. Once that has been accomplished, I will mail the certified trust statement to the law library. I cannot return a certified statement to an inmate.

My guess is that inmate Humdy has sent a duplicate request through you, which is what I have received in today's mail, and to which I am responding. I am, therefore, returning the original funds certificate to you. Should it not be a duplicate request, please let me know and I will gladly prepare a second certification for inmate Humdy and deliver it to the Law Library as per our normal procedure.

Sincerely

Janelle Kleppin

Transaction is currently before a Superior Court and I have a 30 day time limit to respond to courts, and if I can get this done with a immediate response it would be great. of course if its not on time I'll have to subpoena your statement as to why you couldn't sign and return my document.
